

AUTOPAY

From your Checking or Savings Account

It saves you time and postage!

Cowlitz PUD's easy-to-use Autopay program is a convenient way to pay your monthly bill. It means no more postage and trips to the mailbox — or trips to the PUD office to pay your bill. Plus, when you are out-of-town, your PUD bill is paid automatically. It's easy to set up and it's free.

Autopay automatically transfers your PUD payment from your checking (or savings) account to your PUD account, about 10 days after the day we send your statement. You will continue to receive a PUD bill every month showing your usage, charges and the date funds are transferred from your bank account.

To sign up for Autopay, your account must be paid in full before starting. Simply fill out the form below and mail or bring it (you may also fax it) to the PUD. Make sure you also provide us a voided blank check or deposit slip.
