

AUTOPAY: From your Checking/Savings Account or Bank Card

Cowlitz PUD's Autopay program is a convenient way to pay your monthly bill. With Autopay your PUD bill is paid automatically with an Electronic Funds Transfer (EFT) made from your checking/savings account or bank card to your PUD account – about 10 days after the day we send your statement.

You will continue to receive a PUD bill every month showing your usage, charges and the date funds are transferred from your bank account.

TO SIGN UP: Fill out the form and mail or bring it (you may also fax it) to the PUD.

IMPORTANT: For a checking or savings account include a voided blank check (checking) or deposit slip (savings). Also, your PUD account must first be paid in full before starting Autopay.
