OFFICE CLOSURES

November 22nd and 23rd
December 21st from 12 - 5pm
December 25th
January 1st
ARE YOU PREPARED FOR AN OUTAGE?

Bad weather in the fall and winter brings a greater chance of power outages - normally caused by high winds and falling trees and limbs. Even though bad weather in the fall and winter months is the primary cause of power outages, your power can go out anytime of the year and for any number of reasons. Typically a power outage will last 2-4 hours, but in severe weather conditions can last all day or more. If you’re prepared for an outage it is much easier to endure.

Plan ahead and make sure you have the following items on hand:
- A 2-3 day supply of canned/packaged food and fresh water (bottled)
- Blankets
- Flashlight and radio, with fresh batteries. Make sure you know where they are to make it easy to find them in the dark!

ALSO:
Make sure to have a "corded" telephone available and a phone jack to plug it into. Cordless phones do not work when the power is off. Know how to operate your garage door manually. Electric garage doors will not work when the power is off. Teach your kids to never touch a downed line and to tell an adult if they see one.

Outage Alert Hotline 360-423-1200 or toll-free 1-855-49POWER

Did you know Cowlitz PUD has a real time outage map? Check our website for up to date outage information: https://www.cowlitzpud.org/Outages

ASSISTANCE PROGRAM THROUGH COWLITZ PUD

Warm Neighbor
Warm Neighbor offers help to customers in need.

Senior and Disabled Discounts (SDR/DDR)
A discounted electric rate is available for Cowlitz PUD customers who meet federal low-income standards and are over age 62 or receive a disability income and qualify for special parking privileges, or are blind, disabled, handicapped or incapacitated as defined under the Revised Code of the State of Washington (RCW).

LIHEAP
Low Income Home Energy Assistance Program (EAP/Energy Assistance.) A federally funded grant that provides money to help low income households make home heating more affordable during the winter months. It also helps to avoid shutoff of utility services.

For more information on how to apply for these programs please contact customer service at 360.423.2210
