

PUBLIC UTILITY DISTRICT NO. 1 OF COWLITZ COUNTY, WASHINGTON

**SCHEDULE 8 - LARGE COMMERCIAL AND INDUSTRIAL SERVICE
PRIMARY VOLTAGE DELIVERY**

APPLICABILITY

Applicable to any and all uses normally served by the District supplied through a single meter and one Point of Delivery and expected to require in excess of 1,000 kW of Billing Demand as determined by the District.

CHARACTER OF SERVICE

Primary Voltage Delivery as set forth under Special Contracts.

MONTHLY RATE

Basic Charge	\$274.00
Demand Charge - per kW of Billing Demand	\$7.25
Energy Charge - per kWh	5.49¢

The Billing Demand in this Schedule, after adjustment for Power Factor, will be the highest of:

- (1) The current month's highest 30-minute demand, or
- (2) Sixty percent (60%) of the highest 30-minute period Billing Demand occurring during the preceding eleven (11) months, or
- (3) Sixty percent (60%) of the Contract Demand (minimum Billing Demand is 600 kW).

MINIMUM MONTHLY CHARGE

Subject to the terms of Special Contracts, the Minimum Monthly Charge for electric service hereunder shall be the above stated Basic Charge plus the applicable monthly Demand Charge per kW of Billing Demand, after adjustment for Power Factor.

SPECIAL CONDITIONS

The customer will provide, install and maintain all necessary transformers to which the District's service is directly or indirectly connected. The customer will also provide, install and maintain the necessary switches, cutouts and protective equipment and, in addition, the necessary wiring on both the primary and secondary sides of the transformers. All transformers, equipment and wiring shall be of types and characteristics acceptable to the District. The entire installation and the balance of loads between phases must have the approval of the District.

For Electric Service under this Schedule, the District will require a Special Contract.
